Priceville requires a short-term rental license from the town for each property in its residential districts, with an emergency contact who responds within an hour, notice to neighbors within 500 feet, and occupancy of two per bedroom plus two. Lodgings tax is 14% plus $2 a night.

Fines are $150 for a first violation. We didn't find a license fee in the code; ask the town.

Airbnb's Alabama tax article lists the state tax and the local taxes the state administers. Taxes filed with a city, a county, or Avenu Insights may not be collected by the platform, so ask what it collects and file the rest yourself.

Licensing steps

STATE OF ALABAMA

- [ ] **Register for the lodgings tax**
  Create an account at My Alabama Taxes (MAT) and register for state lodgings tax, plus any local lodgings taxes the state administers for your county and city. Cities that collect their own tax need a separate account with the city.
  My Alabama Taxes: https://myalabamataxes.alabama.gov/
- [ ] **File by the 20th**
  Returns are due by the 20th of the following month. Small filers can ask (before February 20) to file quarterly, twice a year, or yearly. Paying on time earns a small discount (5% of the first $100 of tax, 2% after).
- [ ] **Know what the platform collects**
  Under Act 2024-334, Airbnb, VRBO, and other booking platforms collect the state and local lodgings taxes on their bookings unless your contract says you remit. You still owe tax on direct bookings, and the law adds a yearly report of every unit rented more than 14 days.
- [ ] **Keep filing once you register**
  If every booking goes through a platform that collects all your state and local lodgings taxes, you may not need your own account. But if you take direct bookings, or the platform doesn't collect one of your local taxes (often the ones filed with a city, a county, or Avenu), register and file it yourself. Once registered, file every period, even a $0 return, and report platform-collected sales as a deduction. Some county offices ask owners to keep their own account and file monthly even when the platform pays, so ask yours.
- [ ] **Then your county and city**
  Local business licenses, rental permits, and zoning rules are where Alabama towns differ most. Pick your area.

TOWN OF PRICEVILLE

- [ ] **Get the short-term rental license**
  Apply with an emergency contact, then send proof of vacation rental insurance within 30 days. Mail notice to the town clerk and every owner within 500 feet with the contacts, the maximum guests and vehicles, and the town's code enforcement number.

- [ ] **Register for lodgings tax**
  Total lodgings tax here is 14% plus $2 a night. The town's 9% and $2 room fee are filed with the town; the state 5% goes through My Alabama Taxes. Airbnb collects the state 5% and any state-administered local tax on its bookings. Ask your platform whether it also collects the other local taxes, and file anything it doesn't (and all direct bookings) by the 20th of each month.
