Licensing steps

STATE OF GEORGIA

- [ ] **Know what the platform collects**
  Airbnb collects state and local sales tax, the $5-a-night state hotel-motel fee, and the local hotel-motel tax on its Georgia bookings. Ask any other platform what it collects, and keep records either way.
- [ ] **Register for direct bookings**
  If guests book and pay you directly, register for sales tax with the Georgia Tax Center and file the local hotel-motel tax with your city or county. If your city or county requires a business license or occupation tax for the rental, the DOR treats you as an innkeeper and you also owe the $5 state fee on direct bookings.

- [ ] **Check your city or county**
  Most of the rules are local: short-term rental permits, business licenses (occupation tax), zoning limits, and caps. Some cities ban rentals in residential zones. Pick your area.

CAMDEN COUNTY, GEORGIA

- [ ] **Then your city or area**
  Permits, zoning, and the hotel-motel tax are set by each city, and by the county outside city limits. Pick your area.

CITY OF ST. MARYS

- [ ] **Taxes on each stay**
  Stays here owe 7% sales tax, the local hotel-motel tax, and the $5-a-night state fee. Airbnb collects all three on its bookings. For direct bookings, file sales tax (and the $5 fee, if you need a local license) with the Georgia Tax Center. St. Marys' hotel-motel tax is 6%; file it with the city finance director by the 20th of each month.
- [ ] **Ask about zoning and a business license**
  Ask the City of St. Marys whether zoning allows a short-term rental at your address and whether you need a business license (occupation tax certificate). Check your HOA rules too.
