Fairburn requires a short-term rental permit and an occupation tax license, a city-approved safety inspection every three years, and notice to nearby owners. Its ordinance covers stays of 1 to 24 nights. Stays pay 7.75% sales tax plus the city's 3% hotel-motel tax.

Fines run $250, $500, then $1,000 with a 24-month revocation for citations within 12 months. Operating without a business license is a $500 fine per day.

Licensing steps

STATE OF GEORGIA

- [ ] **Know what the platform collects**
  Airbnb collects state and local sales tax, the $5-a-night state hotel-motel fee, and the local hotel-motel tax on its Georgia bookings. Ask any other platform what it collects, and keep records either way.
- [ ] **Register for direct bookings**
  If guests book and pay you directly, register for sales tax with the Georgia Tax Center and file the local hotel-motel tax with your city or county. If your city or county requires a business license or occupation tax for the rental, the DOR treats you as an innkeeper and you also owe the $5 state fee on direct bookings.
