## Licensing steps

### STATE OF GEORGIA

- [ ] **Know what the platform collects**
  Airbnb collects state and local sales tax, the $5-a-night state hotel-motel fee, and the local hotel-motel tax on its Georgia bookings. Ask any other platform what it collects, and keep records either way.
- [ ] **Register for direct bookings**
  If guests book and pay you directly, register for sales tax with the Georgia Tax Center and file the local hotel-motel tax with your city or county. If your city or county requires a business license or occupation tax for the rental, the DOR treats you as an innkeeper and you also owe the $5 state fee on direct bookings.

- [ ] **Check your city or county**
  Most of the rules are local: short-term rental permits, business licenses (occupation tax), zoning limits, and caps. Some cities ban rentals in residential zones. Pick your area.

  Ask Paulding County whether zoning allows a short-term rental at your address and whether you need a business license (occupation tax certificate). Check your HOA rules too.
