Licensing steps

STATE OF NORTH CAROLINA

- [ ] **Know who owes the tax**
  Whoever collects the rent reports the sales and occupancy tax: the platform, your rental agency, or you. Airbnb collects state and county sales tax and all local occupancy taxes on its bookings. If guests pay you directly, register with the Department of Revenue for sales tax and with your county or town for occupancy tax.

- [ ] **Use a written vacation rental agreement**
  The Vacation Rental Act covers owners and agents renting for vacation stays under 90 days. Have the guest accept a written agreement with the required notices, hold advance payments in a trust account, and keep the home fit and habitable with working smoke and carbon monoxide alarms.

- [ ] **Check your zoning**
  Towns can't require you to register a rental, but they can limit short-term rentals to certain zoning districts, require a zoning permit, and set parking, trash, and safety standards. Pick your area for the local rules.

HALIFAX COUNTY, NORTH CAROLINA

- [ ] **Taxes on each stay**
  Stays under 90 days owe 7% sales tax plus the local occupancy tax. Airbnb collects both on its bookings. If guests pay you directly, file sales tax with the Department of Revenue. Halifax County's 5% occupancy tax applies, plus 1% in Roanoke Rapids. Ask the county where direct-booking hosts file.

- [ ] **Then your city or area**
  Zoning rules for short-term rentals are set by each city or town, and by the county outside town limits. Pick your area.

HALIFAX COUNTY PLANNING DEPARTMENT

- [ ] **Taxes on each stay**
  Stays under 90 days owe 7% sales tax plus the local occupancy tax. Airbnb collects both on its bookings. If guests pay you directly, file sales tax with the Department of Revenue. Halifax County's 5% occupancy tax applies; ask the county where direct-booking hosts file.

- [ ] **Ask about zoning**
  Ask the Halifax County Planning Department whether zoning allows a short-term rental at your address. Check your HOA rules too.
