Licensing steps

STATE OF NORTH CAROLINA

- [ ] **Know who owes the tax**
  Whoever collects the rent reports the sales and occupancy tax: the platform, your rental agency, or you. Airbnb collects state and county sales tax and all local occupancy taxes on its bookings. If guests pay you directly, register with the Department of Revenue for sales tax and with your county or town for occupancy tax.
  NCDOR business registration: https://www.ncdor.gov/taxes-forms/business-registration
- [ ] **Use a written vacation rental agreement**
  The Vacation Rental Act covers owners and agents renting for vacation stays under 90 days. Have the guest accept a written agreement with the required notices, hold advance payments in a trust account, and keep the home fit and habitable with working smoke and carbon monoxide alarms.
- [ ] **Check your zoning**
  Towns can't require you to register a rental, but they can limit short-term rentals to certain zoning districts, require a zoning permit, and set parking, trash, and safety standards. Pick your area for the local rules.

MECKLENBURG COUNTY, NORTH CAROLINA

- [ ] **Then your city or area**
  Zoning rules for short-term rentals are set by each city or town, and by the county outside town limits. Pick your area.

TOWN OF MINT HILL

- [ ] **Taxes on each stay**
  Stays under 90 days owe 8.25% sales tax plus the local occupancy tax. Airbnb collects both on its bookings. If guests pay you directly, file sales tax with the Department of Revenue. Mecklenburg County's 8% room occupancy tax applies; for direct bookings, file with the City-County Tax Collector by the 20th.
- [ ] **Ask about zoning**
  Ask the Town of Mint Hill whether zoning allows a short-term rental at your address. Check your HOA rules too.
